Düsseldorf International Airport (www.duesseldorf-international.de) – not to be confused with regional airport Düsseldorf-Weeze! – is not far from your destination.

On arrival you take the **sky train** (look out for the pictograms) in the direction of **Flughafenbahnhof** (airport-station, end of the line). Please buy a ticket price-class C before you get into the sky train and keep this ticket: It will cover your complete public transfer to KHH.

From *Flughafenbahnhof* you take a **train to Essen Hauptbahnhof** (travelling time: approx. 30 min.) There you change trains: The **S 6** will bring you to your destination **Essen-Werden** (4th stop after *Süd*, *Stadtwald* and *Hügel*; 11 min.)

You leave Essen-Werden Station and take a **five minutes walk along Tiergarten-street** which leads you straight up to **Dahler Höhe** and the **KHH**.

If you prefer to take a taxi at Essen-Hauptbahnhof, please calculate 20 minutes and approx. 20 €.

Our conference will be in the *Aula*.

Have a good trip!
